"It is the Holy Spirit's job to convict, God's job to judge and my job to love." — Billy Graham

"It may be said without qualification that every man is as holy and as full of the Spirit as he wants to be. He may not be as full as he wishes he were, but he is most certainly as full as he wants to be." - A.W. Tozer

"We want to domesticate the Holy Spirit. And that's no good, because He is God, He is that wind which comes and goes and you don't know where. He is the power of God, He is the one who gives us consolation and strength to move forward. But: to move forward! And this bothers us. It's so much nicer to be comfortable." - Pope Francis
