Today's Sermon
Pastor Tom
"Limits of Human Control"
Ecclesiastes 6:1– 8:17

8:16 When I applied my mind to know wisdom and to observe the labor that is done on earth—people getting no sleep day or night— 17 then I saw all that God has done. No one can comprehend what goes on under the sun. Despite all their efforts to search it out, no one can discover its meaning. Even if the wise claim they know, they cannot really comprehend it.

Loving and compassionate God, we pray for all who have laboured for liberty, freedom and justice; for those who have made the ultimate sacrifice; for those, who in life and death, have preserved our living. Grant that they may rest in your peace, and that we, through our actions, may be found worthy to inherit the eternal treasures of your kingdom. Amen
