From the Ends of the Earth

February 2022, Phnom Penh, CAMBODIA

I understand it is too late to wish you dear friends and family a Merry Christmas and a Happy New Year. However, we have just celebrated the Lunar New Year not too long ago, and billions of people have just ushered in the year of the tiger. Here in the Kingdom of Wonder, we celebrate all three New Years Days (there will be another in April).

This Christmas, the young people of Tum Nup Teuk had their own celebration. It was such an answer to prayer to see so many of them come to join in the festivities. The group has dwindled in the past, but God has answered prayer, and we are back to a respectable number. Pray that the believers will have an opportunity to share their faith with those who have yet to claim the name of Jesus.

When Nareth decided to leave the position of Dorm Leader and pursue a more permanent position serving the Lord, we supported her although we wondered about her replacement. She did a very good job training Chrey, and he

has truly been anointed to serve as the new leader. We are impressed with his character and the way he has stepped up to the plate. We ask that you remember this young man in your prayers. He is a relatively new believer but is tasked with teaching discipleship material to the other residents of the Student Residence & Discipleship Centre. He did a very good job organizing the Christmas outreach event that was held on Christmas eve. Chrey and David get together weekly to study a leadership book and to pray for each other after meatball soup.

For nearly three months we have been looking forward to Prayer Retreat for our C&MA teams. We determined it would be a good time to get some strategizing done as well as we haven't had a

chance to get together for Field Form in two years. Everything was set to happen at the C&MA compound in Phnom Penh for four days in mid February. Two days before the event, it was changed to a ZOOM ordeal as there was an outbreak of c19 among our people. Even the speaker was struck down, and we were obliged to contact Joel & Becca Arndt in Hong Kong to fill in. They did a fantastic job even with short notice. There were some brave new steps made to reunite the missionaries and plan a joint strategy. Please pray that God will be glorified in our endeavours and that there will be a divine sense of harmony as we move forward.

Each of the four districts of the Kampuchean Evangelical Church (KEC) will be holding their General Assembly soon. Would you join us in praying for the pastors and church leaders who will be gathering? From 3-5 March the Bophea region (East), from 17-19 March the Peayop region (Northwest), from 12-14 May the Nearedei region (Southwest) and finally the Eissan region (Northeast) from 26-27 May. We will not be available for our own district assembly as we are returning to Canada for Home Assignment in May for four months. We appreciate your prayers for that, too.
